

Information For Authors

In order to submit your paper to the Journal of Data Analytics (*JDA*) please follow these steps:

1. The manuscript must be prepared using the **JDA** MSWord template which can be downloaded from the below links.

- [Download Template](#) for Microsoft Word.

2. Use famous Plagirism software like Turnitin or Ithenticate and see if your paper similarity report is less than 25%.

3. Register on the website, then creates a new submission. In the submission process, you need to:

- A) fill in the metadata entirely and carefully. Notice that you need to add all the contributors' names.
- B) upload **four** files.

4)A Pdf file briefly explains your paper's main novelty.
